

## 2- Preachers Training and Qualification Institution:

Following great efforts by its directorate, the institution has started to build an endowment building of five floors, with a finance from many inside and outside organs. Now the work is at the finishing stage.

The organization's seat is going to be in this building.

### Third: Realized total finance:-

Here are the estimated budgets and the really executed parts, in SDG:-

Year	Credited	Executed	%
2005	32,891,451	24,673,352	75 %
2006	52,181,424	41,723,144	80 %
2007	62,930,317	44,954,352	71 %

2009	76,821,522	61,408,971	79.9 %

### Fourth: Updating Relations with Donors:

- We had to increase the external finance through communication with the members of the Council of Trustees abroad, and with other donors, and to benefit from the women sector in encouraging donations from donators, via the activation of the external offices and seasonal finance campaigns.
- Good news including opening of communication channels with some benevolent donors in Africa like Malawi.
- The organization managed to enhance its relation with some world institutions, particularly the Islamic Development Bank and the Islamic Education, Culture and Science Organization.
- Other relations include relations with the International Islamic Youth Forum, the (IHH) in Germany, Discover Islam Centre (Bahrain), Charity Authority of Hayil Saeed Anaam and partners (Yemen), Sharia Society (Egypt), Islamic World League and Islamic Da'wa Society.
